New & Top-Selling Piano Collections

Alfred's Premier Piano Course, Pop and Movie Hits is now available for levels 1A–4. Your student's favorite pop and movie hits have been arranged to correlate with the concepts presented in Lesson books 1A–4. In levels 1A–2A, optional duet parts for teacher or parent add harmonic richness to the solo parts.

Theory for Busy Teens is designed for teens who want to further develop their skills in music theory but have limited time to study it. It includes eight units devoted to the following subject areas—rhythm, intervals, scales, key signatures, musical terms and symbols, triads, inversions, and chord progressions.

Movie Heroes for Students contain some of the most memorable movie themes from action and adventure films. Tom Gerou has expertly arranged the most popular themes, making them accessible to all students of all ages.

Myklas Contest Winners represent Myklas' most popular and effective solos drawn from festival and contest lists. Divided into four graded collections, outstanding and time-tested solos are included by Rhonda Bennett, Ronald Bennett, Rosemary Barrett Byers, Lynne Cox, Anne Shannon Demarest, Mary Hauber, Ernest Kramer, Joyce Schatz Pease, Ruth Perdew, John Robert Poe, Catherine Rollin, Mike Springer, Robert D. Vandall, and Judy East Wells.
